

Welcome to the Party!

The Bear loves to nap and play glockenspiel. Technically, he is a person in a bear hat, but he is also very bear-ish. The Bear is very kind, and tries hard to make everyone happy. He really wants to make this party perfect so that he can meet The Spirit of the Trees.

The Beekeeper is The Bear's neighbor and best friend. The Beekeeper has always wanted to host a party. He's excited to try, but he doesn't know how to do it. Do you want to know a secret? The Beekeeper hasn't even seen a bee before!

Ms. Branch loves to go for hikes and sing, and she's an expert at getting lost. She loves to walk so much that she always wants to keep going and going from place to place. She never wants to stop, but she really loves to help.

Welcome to the Party!

The Badger loves dirt and digging. He is a little gruff, but he loves to meet new people and to make things with his paws. He especially loves to get BOOPED on his nose.

The Thrush has the most beautiful voice in the forest. She is nice but a little snobby. She doesn't like feeling left out and loves compliments. She has always dreamt of hearing all of the animals making music together in an Animal Orchestra.
